

CASE IH FLX SERIES FLOATERS

CASE IH FLEX 3520 FLOATER

CUSTOMIZE FROM THE CHASSIS UP - Case IH Titan™ Series floater chassis and applicators are built to handle the tough demands of changing terrain while accurately applying fertilizer and chemicals, season after season. Customize a Titan floater with your choice of 3- or 4-wheel configurations, two engine sizes, tires, single or multiple bins, tanks, boom widths and variable-rate application technologies to fit your needs.
