

SRS-600 ProPack™

SHURFLO®

Rechargeable Electric Backpack Sprayer

The ProPack is a battery-powered backpack sprayer designed for professional spraying. The ProPack utilizes an electric pump that allows applicators to spray continuously without manual pumping and provides constant spray pressure for consistent spray applications. The pump and battery are managed by a microprocessor that maximizes spray time and offers four pump speeds for various spray needs. The adjustable nozzle offers the ability to spray from a fine mist to a high volume stream. The ProPack tank is designed for comfort with a breathable back pad and thick shoulder pads.

Features:

- 4 gallon (15 liter) tank
- 120 gallons (454 liters) of spray per charge
- 4 speed pump control
- Variable pattern nozzle
- Comfort designed back and shoulder pads

Specifications:

Pump and Control

- 12 volt DC
- 1.0 gpm max
- Polypropylene pump body
- Viton valves
- Santoprene diaphragm
- 40 psi demand switch
- Status lamp indicates power, blinks when charge is needed

Battery and Charger

- 12-volt sealed lead acid battery
- 7.0 Amp/hour
- Charger input:
 - 120 volt, 60 Hz
 - 230 volt, 50 Hz
- Charger output:
 - 12 volt DC, 1.0 amp

Tank

- 4.0 US gallons (15.1 litres) Polyethylene Spray Hose
- Reinforced/Braided PVC

Spray Wand

- All Polypropylene with an adjustable cone nozzle

Big W Sales 12 Volt Spot Sprayers

15 and 25 Gallon Spot Sprayers

Ideal for applying insecticides and herbicides.

Features:

- Up to 15' vertical and 20' horizontal spray
- 15 gallon tank capacity
- 12 volt, 1 gpm Shurflo pump
- Trigger gun with adjustable nozzle - fine mist to solid stream
- 19-1/2' of 3/8" hose
- Low-profile, elliptical design tanks manufactured from high-density polyethylene with U.V stabilizers
- Ribbed side walls offer additional strength
- Tanks come with a molded-in 3/4" drain port for full drain out capability
- Tanks include a 5" screw on lid with lanyard; plastic drain cap and tether
- All brass machined inserts (corrosion resistance) for easy mounting
- All brass machines inserts for wand clips
- molded-in level indicator in U.S. and metric measurements

15 Gallon Spot Sprayer

Features:

- Up to 15' vertical and 25' horizontal spray
- 25 gallon tank capacity
- 12 volt, 1.8 gpm Shurflo pump
- Trigger gun with adjustable nozzle - fine mist to solid stream
- 20-1/2' of 3/8" hose
- Low-profile, elliptical design tanks manufactured from high-density polyethylene with U.V stabilizers

Solo Commercial Grade Hand Sprayers

Solo 457R

457R Take the full featured Solo 457 professional 3 gallon handheld sprayer, add the heavy-duty two wheel caddy and you have a new and improved Solo 457 Roll-a-bout. The heavy-duty wheeled caddy is designed to handle rough terrain and adds stability when tank is upright.

Features:

- Increased tank size from 2.25 gallon to a full 3 gallon.
- Extra long 72" hose makes it convenient to park the sprayer and go about remote spraying tasks.
- Large rugged piston pump for quick pressurization.
- Built-in valve for optional inflation by air compressor.
- Large 4.5" tank opening for easy filling and cleaning.
- HDPE tank with UV inhibitors is long lasting and resists corrosion.
- 28" Lightweight, unbreakable wand and commercial shut-off valve with lock-on / lock-off feature minimize fatigue.
- Includes four-nozzle assortment for multiple spraying tasks.

457-Rollabout

462 Two Gallon Acid Hand Sprayer

Specifically designed for use with harsh, acidic chemicals. Special acid resistant materials are used at all liquid contact points to provide long life and trouble free use.

Features:

- Funnel top design allows easy, controlled filling.
- Adjustable nozzle adjusts from cone to stream patterns for multi-purpose spraying.
- Acid resistant, nylon-reinforced hose for added durability
- HDPE tank material
- Funnel top opening
- Viton seals
- 36" hose and 25" acid resistant wand
- Adjustable nozzle

462

465

465 Two Gallon Stainless Steel Hand Sprayer

Designed for a variety of spraying tasks. Ideal for spraying pesticides, herbicides and general spraying Corrosion resistant tank is perfect for applying harsh chemicals.

Features:

- Extra large T-style pump handle makes two-handed pumping possible.
- 48" Nylon-reinforced hose provides extended reach and increased durability.
- 28" Durable brass wand provides extended reach.
- Brass adjustable nozzle adjusts from cone to stream patterns.
- Funnel top opening
- Viton seals
- 48" hose and 28" brass wand
- Adjustable nozzle with extra nozzles (3 pk) included
